 Glamour is the strongest and most advanced heavy weight metallic embroidery thread on the market today. Designed for three dimensional embroidery, it adds texture and sparkle while maintaining a soft hand feel. Works perfectly on all sewing and embroidery machines. Ideal for top stitching, overlocking, stippling, seeding and cording. We recommend the use of the MADEIRA Titan Glamour needle 100 #16.

 Glamour est un fil à effet métallisé très solide et souple à la fois, conçu spécialement pour des broderies structurées leur donnant un aspect exceptionnel en « trois dimensions ». Convient pour tous les types de machines à coudre et à broder, ainsi que pour les surjeteuses. Nous recommandons l'utilisation d'aiguilles spéciales à broder Titan Glamour 100 #16.

 Glamour ekstra sağlam olmasının yanı sıra boyutlu nakışların için özel bir görünüm sağlar. Bütün ev tipi Dikiş-Nakiş makinaları, Overlok ve Reçme makinelerine uyumludur. Bu ipliği Titan Glamour Nakış iğnesi 100 #16 ile dikmenizi tavsiye ederiz.

 «Гламур» - это прочные и одновременно мягкие эффектные нитки для объемных и пластичных вышивок. Они прекрасно подходят для всех типов швейных, вышивальных, а также коверлочных и оверлочных машин. Декоративные строчки, выполненные этими нитками, превратят ваше изделие в уникальное творение. Мы рекомендуем использовать специальную иглу для ниток «Гламур» - вышивальную иглу № 100 #16.
